# CELLAR SELECTION

Here we have a special selection of wines from our cellar that we are truly excited about. They are also wines that for a limited period of time, (while stocks last) we can offer at a damn good price. This might be because we had a unique opportunity to buy a case of something exciting, that we had a tip off about a fabulous wine with a limited production or maybe it was a bottle that just really surprised us.

We are only charging a reduced cash margin on these wines and they, therefore, represent outstanding value for money. We hope you enjoy them and that you will let us know what you think.
